This referral guide was created for students by students in the youth services program of Warrenville Youth and Family Services. The target area for these resources and referral information in the town of Warrenville, while including some resources and referral information from the surrounding area. The guide aims to list resources and referral information specific to students in grades 8-12. The purpose of this guide is to increase youth awareness of resources and referral opportunities in the Warrenville area. It will continue to be updated as resources are added or taken away from the community.
